PHD:

I have been the main advisor for PhD student Roza Khoban who graduated in October 2021. She proceeded to do two postdocs, one at Princeton University and one at

University of Zurich. I was also the co-advisor for PhD student Evangelia Pateli, who is working at the UK competition authority.
I was the final seminar opponent on Chizheng Miao's PhD Thesis, Linnæus University (November, 2016), and Josefin Videnord's licentiat thesis (Uppsala University, 2022).
I am currently advising Fuchen Zhang, a PhD student at the University of Stavanger.

TRAINING IN TEACHING AND LEARNING IN HIGHER EDUCATION

I have completed the Professional Development Course on Teaching and Learning for University Teachers, English (UL1 English) at Stockholm University, equivalent to 7.5 university credits (ECTS), Spring Semester 2018. See attached certificate.

ADMINISTRATIVE EXPERIENCE

JOB MARKET RECRUITMENT COMMITTEES

I have been part of the job market recruitment committees at Stockholm University in 2020–2021 and 2025–2026 and at the University of Stavanger in 2021–22 and 2023–24.

ORGANIZER OF SEMINAR SERIES

Organizer of brownbag seminar series, Department of Economics, Stockholm University: 2009–2014.

ACCREDITATION INTERVIEWS

I was the leader of a group of University of Stavanger faculty when interviewed by the accreditation representatives for the EFMD organization.

PLANNING AND ORGANIZING CONFERENCES

I have co-organized five larger conferences:

Organizer of NOITS conference in Stockholm 2026.

Organizer of NOITS conference in Stavanger 2022.

Organizer of NOITS conference in Stockholm, 2014 and 2018, and the CEPR GIST conference in Stockholm in 2012.

INTERACTION WITH THE COMMUNITY

My work on Swedish productivity growth includes:

i) How does the weak Swedish krona affect productivity growth of firms? Assigned by the Ministry of Finance's Productivity Commission. Co-authored with Karolina Ekholm and Erika Färnstrand.

ii) "Svensk produktivitet: Hur väl används våra produktionsresurser?", SNS, 2026. Co-authored with Horng Chern Wong.

I have also contributed to two official reports for the *Swedish Corona Commission* (links here and here). The Commission constitutes the main Swedish official evaluation of how the government and public agencies performed during the Corona crisis in Sweden. The reports were co-authored with Karolina Ekholm, Oskar Nordström Skans and Torsten Persson.

I have been on an expert committee for an ESO-report on structural change during financial crises.

I have acted as evaluator on i) a report by *IFAU* on technological change in Sweden, which was also delivered to the Finance Committee in the Swedish Parliament as part of the work by the Swedish Fiscal Policy Council, and ii) the 2023 SNS Konjunkturråd report by Peter Fredriksson, Georg Graetz, Lena Hensvik and David Seim.

I have published several op-eds in Swedish newspapers on economic policy:

"Därför är Trumps tullar dömda att misslyckas" Anders Åkerman, *Dagens Nyheter*

"Bortförklaringar kan inte bota kronans problem" Anders Åkerman och Torfinn Harding, *Dagens Nyheter*

"Starka statsfinanser kan ha skapat vår svaga krona" Anders Åkerman, *Dagens Nyheter*, 2023.

"Riksbankens storköp kan öka ojämlikheten", Daniel Waldenström and Anders Åkerman, *Svenska Dagbladet*, 2022.

"Bostadspolitiken är farligt motsägelsefull", Karolina Ekholm and Anders Åkerman, *Svenska Dagbladet*, 2021.

"Kinesiskt Saab en vinstlott", Anders Åkerman, *Dagens Industri*, 2009.

"Slentrianmässig kritik", Erik Lindqvist and Anders Åkerman, *Svenska Dagbladet*, 2005.

Other media experience

My research has been cited in media, such as most recently in Dagens Industri and The Economist. Examples of my demonstrated ability to disseminate information and knowledge with society at large include when I, at the policy institute Studieförbundet Näringsliv och Samhälle, was the author of an SNS Analys report about the effect of broadband internet on economic outcomes. This also involved a public seminar and media participation.
